

# Shoplifting Prevention Tips

- Train Staff to be vigilant and have regular meetings to reinforce attentiveness
- Have a staff member greet customers. Shoplifters don't like to be noticed
- Monitor fitting rooms closely
- Have staff staple receipts to outside of shopping bags
- Keep easily stolen items near cash register
- Maximize staffs visibility of merchandise from cash register
- Install mirrors in corners or a closed circuit TV or a digital recorder
- Secure back rooms and storage areas
- Display anti-theft signage
- Store valuable items in a locked display case
- Do not put cash registers near entrances or exits
- For any Shoplifting INCIDENTS in PROGRESS  
CALL 9-1-1
